

Energuate appreciates the commitment of its business partners by joining us in complying with our Code of Conduct and other Internal Policies.

Being proud of our principles, purpose and aspiration, on this occasion we would like to invite you to learn about our guidelines for business behavior through the attached educational material, which can be distributed internally in your organization at the levels that you deem appropriate at your discretion.

It intends that you, as an important part of our company, accompany us and be part of this effort that seeks to maintain standards of business ethics at the highest level.

Please, we invite you to complete the following acknowledgment of receipt and acceptance.

I _____ identified with passport No. _____ declare to have received, on behalf of the company _____ and I undertake to promote the dissemination of the training material received with our staff internally.

In the same way, I declare that I am aware that Policies, Procedures and Guidelines are applicable and mandatory for its Collaborators. Policies, Procedures and Guidelines are available to the Energuate public site or at the next link <https://www.energuate.com/c-digo-de-conducta-de-proveedores-y-contratistas>
